

*** Please check your child's homework bag for the important dates for June newsletter. The next few weeks are busy***

Upcoming Dates

June 11th – Pumpkin planting (rain or shine)

June 12th – Field Trip (rain or shine)

June 13th – Last day for cafeteria

Homework: no homework

Reminders: Students are kindly asked to keep personal items such as toys, makeup and electronics at home.

Please apply sunscreen or bug spray in the morning before arriving at school. Students are welcome to re-apply their own sunscreen if needed but we ask that bug spray not be sent to school.

Students made their purchases at the market today and were asked to bring all items home to show their parents. Please keep items such as toys and slime at home.

Math:

We are working on increasing patterns. Students learnt about AB, ABB and ABC patterns last week. This week, we will be looking at increasing and decreasing number patterns and writing a pattern rule.

Literacy:

This week we are looking /r/ controlled vowels. The rule of R-Controlled Vowels is as such: When a vowel is followed by an /r/ in a syllable, the vowel becomes "controlled" by the /r/ and makes a new sound.

Word Work

fork-sort-storm-core-score-shore

Heart Words

nothing - Pretty - people - been - forty - because

Thanks!

Ms. Duffy
